

Bernards Township  
Agricultural Advisory Committee  
2010 Annual Report to Township Committee

During 2010 the Agricultural Advisory Committee met on a quarterly basis. In addition to our meetings we participated in 2 events to fulfill our Mission Statement:

- On Feb. 18, 2010, we also hosted a “Farmer Get Together”. Most of the farmers in Bernards Township were in attendance.
  
- May 16, 2010, we participated in Charter Day activities.

Discussions during the year included: Maple Sugaring at the Sons of Liberty Park; Community Garden Plots as they would pertain to various local organizations requesting information; investigation of food-to-school initiatives.

The committee is continuing its’ mission of education and outreach to the farming community and exploring the possibilities of further farmland preservation.
