Bernards Township Beautification Task Force
Bernards Daffodil Project

Thousands of 'Flower Record' Daffodils were planted throughout the Township as part of our 250th Anniversary celebration in the fall of 2009. The Bernards Township Beautification Task Force is continuing the effort this fall! Please show your support by planting these Bernards Daffodils in your yard (Item #19690 below) and Holland Bulb Farms will again donate a portion of the proceeds to future Bernards Township beautification efforts. Also consider purchasing bulbs to be planted in public areas of our township as part of your order. You can do so by selecting the appropriate item (Item #19691) on your order below and the bulbs will be shipped directly to the township at no additional shipping cost to you. Thanks in advance for your participation!
