

**Would your child with special needs
like a Big Brother or Big Sister?**

The Bernards PEC is developing a mentoring program for children receiving special educational services in Bernards Township. We are in the process of recruiting mentors ages eight and up. The mentors will be trained by a professional to work with children with disabilities.

Big Brothers and Sisters will go to the homes of children with special needs for play dates, to be mother's helpers, or homework buddies. The parent of the special needs child will always be on site to supervise and train the mentors.

If your child would like a mentor, please complete the form below. We will contact you when our program is up and running. At that point we will try to match your child with an appropriate mentor. If you have any questions please call Amy Grotland (908) 766-9421 or e-mail amygrot@optonline.net
