

VALLEY ROAD BRIDGE OVER THE PASSAIC RIVER LOCAL CONCEPT DEVELOPMENT STUDY

Bernards Township, Somerset County, and
Long Hill Township, Morris County, New Jersey

PUBLIC INFORMATION CENTER #1 NOTICE

Somerset County and Morris County, in coordination with the North Jersey Transportation Planning Authority (NJTPA) and the New Jersey Department of Transportation (NJDOT), are conducting a Local Concept Development (LCD) study to determine appropriate improvements to the Valley Road Bridge. This notice is to inform you that Somerset and Morris Counties will host a Public Information Center about the study.

The purpose of this first of three Public Information Centers is to inform the public about the study objectives, status of the study and study schedule. This Public Information Center #1 will also provide an opportunity to identify concerns and obtain input on the study's draft Purpose and Need Statement. Study team members will be in attendance to present information and answer questions. Comments cards will be available. The public is encouraged to comment.

Date: Thursday, June 7

Time: 5:00 p.m. – 8:00 p.m. (*Open House format*)

Location: **Bernards Township Municipal Building Council Chambers**

1 Collyer Lane

Bernards Township, NJ 07920

**Bernards Township Municipal Building is accessible to persons with disabilities.*

Written comments relating to Public Information Center #1 will be accepted through July 7, 2018. Comments may be mailed or emailed to:

Brian W. Maurer, P.E., Principal Bridge Engineer
Somerset County Department of Public Works, Division of Engineering
P.O. Box 3000
Somerville, New Jersey, 08876

Telephone: 908-231-7024
