Liberty Corner Fire Company
P.O. Box 98 • Liberty Corner • New Jersey 07938

The Liberty Corner Fire Company is planning to build a 9/11 monument in the front of the fire house. There will be a dedication on September 11, 2011. It will have steps replicating the stairway in the World Trade Center where so many lives were saved and others lost. On each side of the steps will be a brick walkway representing the Twin Towers. It will lead you to the front of the monument. While looking at the steps, you can read some of the written communication transcripts from the New York City Fire Department as they were climbing up a stairway to rescue people.

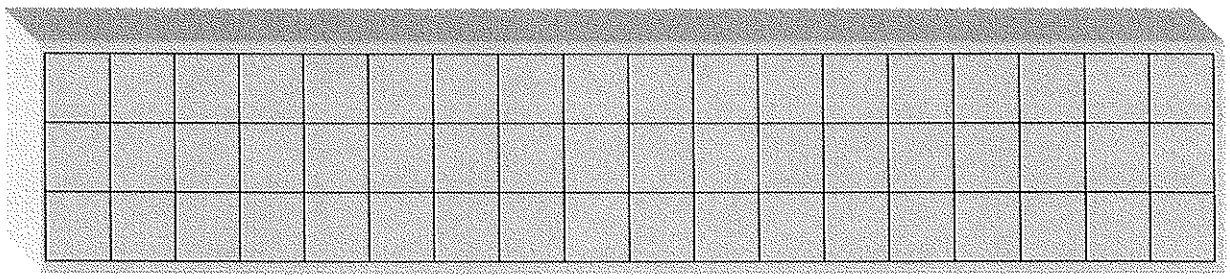
On the top of the stairway is a piece of steel recovered from the towers. On the back of the monument will be a painting developed by some Ridge High School students depicting 9/11.

To help fund this monument we will be selling three hundred and forty three bricks, representing those firefighters who perished in the terraces attack.

Please help us raise the funds needed to make this memorial possible by purchasing a brick for $100.00. Each brick measures 4 inches by 8 inches with room for 3 lines of text at 18 characters per line.

To purchase a brick, please fill in the brick form below and mail check to:

Liberty Corner Fire Company
PO Box 98
Liberty Corner NJ 09738



(One letter per space including space between words)
