Commemorative Tree & Bench Program
Honor the memory of a relative, friend or member of your organization.
Acknowledge a milestone or special event. Recognize volunteer or employee service.

Trees are planted in October in Mountain Park, Pleasant Valley Park, Rebel Hill Park and Southard Park. In September, you will receive a confirmation letter indicating the date, time and location for the planting. You may be present during the planting, although that is not required. A plaque, located at Town Hall outside the Parks & Recreation office, displays the names of all those for whom trees have been planted with the occasion and year.

Benches are installed in April. Bench placement is available at the Community Center, Mountain Park, Rebel Hill Park, Southard Park, and the Coakley-Russo Memorial Golf Course. You will receive confirmation of the bench location once it has been installed. Using the form below, clearly print the text you wish to have engraved on the commemorative plaque that will be installed on the bench.
