ABOUT THE SHOW

Based on the songs of the Swedish pop group ABBA, “*Mamma Mia!*” is set on the Greek island of Kalokairi. A 20 year old woman named Sophie wants to have a traditional wedding and hopes her father will walk her down the aisle, but there's one problem: she has no idea who her father is! With help from her mother's journal, she narrows the possibilities down to three men, and hilarity ensues as they all claim her as their child! Featuring all the hits you know and love, like “*Dancing Queen*”, “*Thank You for the Music*”, and, of course, “*Mamma Mia!*” this show will have you singing and dancing in the aisles!
