Widette commented she was researching a shade structure for the seating area by the baby pool. It was also suggested shade be looked at for other areas. Rich M. suggested the sub-committee discuss with John for further direction.
   B. 2019 Operating Budget
      1) J. Gander discussed the 2019 operating budget. We will be increasing the seasonal salary line to correspond with increases in minimum wage and the increase in starting salary for lifeguards to remain comparable to other area pools. No other large increases to the operating budget are expected at this time.
   C. 2019 Membership and Guest Fees
      1) R. Moschello asked Pool Commission members review the membership and guest fees and note any suggested changes. It was discussed that an increase may be necessary to keep up with rising operating and capital project costs.
   D. 2019 Membership Policies
      1) J. Gander suggested review of the following items:
         a. Clarify and explain in more detail the thunder/lightning policy and note the best way to determine if the pool was open or closed (by calling the pool directly). This is based on member feedback from this season.
         b. Limiting the number of children a babysitter under the age of 18 can be solely responsible at one time. This issue came from pool management.
c. Adding an age at which you would stop a child from entering the restroom/changing are of the opposite sex. This was a member question. There was a policy several years back, but management did not notice this as an issue this season.

d. It was suggested to add “no vaping” to the no smoking policy

e. Craig W. suggested reordering the pages so the membership information appears first and the disciplinary policy appears towards the back.
