Each tote has a different color lid (yellow and lime green). Stickers on the lids indicate what materials are to be placed in the totes.

Regular scheduled pickups with the new totes will begin on your next scheduled recycling date after delivery of totes.

The tote with the lime green lid is for the cardboard and paper products, and the tote with the yellow lid is for commingled glass, cans, and plastic materials.

**Accepted Items are as follows for the paper tote (lime green lid):** Newspapers, inserts, junk mail, magazines, catalogs, envelopes, paperback books, corrugated cardboard, colored paper, clean pizza boxes, office and school papers, shredded paper (loose), chipboard boxes including cereal, cookie, pasta, cake, cracker, detergent (remove plastic liners), gift, shoe, shirt and any retail boxes, paper egg cartons, paper bags, books (hard covers must be removed), phone books, non-metallic gift wrap and greeting cards.
