How do I become a Township volunteer?

What does each group do?

How much time will it take?

If you live in Bernards Township and share our vision of: *A Caring Community, Embracing Our Past, While Creating Our Future Today*, you've taken the first step in qualifying as a Bernards Township volunteer for a Board/Commission/Committee/Task Force. The next step is to complete the attached "Tap the Talent" questionnaire.

Once your "Tap the Talent" application is received, it is reviewed by the Township Committee and kept on file until there is a term expiration or resignation of a current volunteer.

This brochure represents just a small sampling of service opportunities available in Bernards Township. Contact the Recreation Department, YMCA, or your local house of worship for additional opportunities.

The Township Committee wants to ensure a mix of new and experienced members on our Boards/Commissions/Committees/Task Forces. Appointments are made by the Township Committee and there is a growing list of willing volunteers. Service in the past does not necessarily assure a re-appointment.

Agricultural Advisory Committee - Supports the Agricultural community and its continued contribution to the quality of life in Bernards Township, by preserving agricultural land, providing advocacy for agricultural viability and promoting public education. (§2.31 Revised General Ordinances)

Meets the 3rd Thursday after the 1st Monday, quarterly.

Environmental Commission - Has the power to conduct research into the use of the open land areas of the Township and may coordinate the activities of unofficial bodies organized for similar purposes. It keeps an index of all open areas, publicly or privately owned, including open marshlands, swamps and other wetlands, in order to obtain information on the proper use of such areas. This commission, may, from time to time, recommend to the Planning Board plans and programs for

inclusion in a Township Master Plan and the development and use of such areas. The Environmental Commission also reviews and comments on all Planning Board and Zoning Board applications relative to environmental concerns. (§2.18 Revised General Ordinances)

The commission also oversees the Teen Center. (§2.35 Revised General Ordinances)

Parks, Pathways & Recreation Committee - Receives from the Director of Parks & Recreation the proposed annual budget and provides comment on the priorities. It reviews all park-related, pathways, and recreation program initiatives and makes recommendations to the Director. It acts as a catalyst for volunteer help with Township-sponsored and supported park and open space programs both by active participation and by enlisting others to serve. It prepares and submits to the Township Committee a greenways plan for the Township. It evaluates, prioritizes and assists in developing greenways properties

through the development of appropriate criteria. The greenways plan consists of recommendations concerning the nature of the interests in such real estate to be acquired, dedicated, preserved or maintained and the greenway purposes for which such land should be utilized. It provides guidance and support to the Township Committee and Planning Board on issues and matters designed to effectuate greenway purposes. (§2.28-2 Revised General Ordinances)
Meets 1st Monday, monthly.

Planning Board - Is governed by the Municipal Land Use Law (MLUL; N.J.S.A. 40-55D) and local zoning laws. This board is commonly referred to as the board of "permitted activities." The essential duties are to deal with policy (the Master Plan) and the implementation of that policy through the site plan and subdivision ordinances. These ordinances establish a series of ground rules to be met by an applicant. If an applicant meets the requirements of the particular ordinance, the board must approve the subject application. (§21-4 Revised Lane Use Ordinances)
Meets 1st and 3rd Tuesdays after 1st Monday, monthly.

(§2.13 Revised General Ordinances)
Meets 2nd Tuesday after 1st Monday, monthly.

Shade Tree Commission - Has the power and authority for the regulation, planting, care and control of shade and ornamental trees and shrubbery upon or in the highways, parks or parkways within the jurisdiction of the Township and shall exercise all powers and rights and be subject to all duties provided in Chapter 325 of the 1915 Laws

of New Jersey (N.J.S.A. 40:64-1 et seq.), as amended and supplemented. (§2.17 Revised General Ordinances)
Meets 2nd Wednesday after 1st Monday, monthly.

Zoning Board of Adjustment - Is governed by the Municipal Land Use Law (MLUL; N.J.S.A. 40-55d) and local zoning laws. It holds quasi-judicial authority with issues dealing with land use. It is commonly referred to as the board of "nonpermitted uses." Zoning Boards deal with the issuance of variances. Variances are based upon the individual municipality's zoning ordinance. The zoning ordinance establishes specific requirements for a given land area within the municipality which regulate not only the uses permitted in that area but the size of the parcels, setback required, parking, signs, conditional uses and numerous other regulations. An applicant must meet specific criteria contained in the MLUL by satisfying certain legal standards of proof; the burden is upon the applicant to show that he or she is entitled to the specific relief required. (§21.5 Revised Lane Use Ordinances)
Meets 1st Wednesday after 1st Monday, monthly.
