Also Present: Administrator McArthur, Attorney Belardo, Engineer Timko, Municipal Clerk/Assist. Admin. Szabo

2015 MAYOR’S REPORT
Malay gave the following report:

2015 was another good year for Bernards Township, as we continued to work hard to provide residents with strong fiscal management, high quality of life and a policy of innovation and improvement.

To name just a few, we completed our turf field project at Mountain Park, a $1.7 million dollar effort delivered on time and under budget, that was funded in ways with no impact on the general budget.

We solidified our relationship with Somerset County, selling them Bridgewater border properties contiguous with county Open Space for $510,000, entered into “Salt Dome Agreement” to be built in 2016 that will increase County efficiency/response for snow operations in Bernards and ensure TWP access to sufficient snow/ice control materials and we received multiple grants for renovations to the historic Lyons Train Station that, when coupled with Township parking lot construction, greatly enhanced that vital commuter hub.

We finally received our Federal FEMA Grant for Energy Resiliency with a $250K Grant for Emergency Generator Coverage at this Municipal Building. Contracts have been awarded and ground has been broken.

We always seem to be talking about municipal debt, but it is important. Since 2010 we have retired $17,510,000 in Debt Principle, eliminated all general debt in 2011 and our Open Space Debt will be fully retired in 2017. No surprise, we have retained our AAA Bond Rating.

Our Engineering Department completed the design and construction project management for resurfacing miles of Township roads during 2015, the Township Municipal parking lot at Lyons Train Station, with additional drainage improvements, sidewalk repair and ADA compliant curb ramps.

Parks and Recreation made numerous improvements to parks and playgrounds, refurbished the municipal pool and golf course and maintained its efforts with cultural events.

We continued our support for our dedicated First Aid and Fire volunteers - along with our police, the back bone of our municipal health and safety efforts - with capital funds for equipment, LOSAP encouragement for new members as well as insurance coverage.

Our police department is once again fully accredited. We have a new 4-year contract with our officers, completed in cooperation with each other and with the best interests of our residents uppermost. Our officers are now all certified in NARCAN emergency use and have 5 life-saving incidents to their credit. They are our first line of protection and we value them highly.
The Administrative and Finance Departments continue to work on succession planning, professional education, meeting NJ “Best Practices, fulfilling all statutory filings, with the result that we provide municipal services at the lowest tax supported cost in NJ for towns above 11,000 people.

We continue to “Go Green to save your green”: environmental initiatives that improve our lives and save tax dollars. We continue to be one of only 2 dozen Sustainable NJ “Silver” Certified towns, we broke ground on a solar array at the land fill, generating power and $500K in TWP revenue. We have received a $30K Gardiner Environmental Fund Grant to outfit part of our municipal fleet of vehicles to maximize snow/ice control efficiencies and reduce salt use, worked with the BPU “direct install” program that will provide 70% of capital cost for significant energy saving fixtures/controls/equipment and provided for our energy needs through the NJ Sustainable Energy Meeting – a large cooperative that ensures lowest price, while mandating a portion come from renewable sources.

A lot of this sounds highly technical, but by digging down into the details, our administration and departments save taxpayer dollars every day of the year, all the while providing great service to our residents. I am proud of them and feel privileged to work with them and with my colleagues here on the dais.

As always, I close with a shout out to the hundreds of volunteers in Bernards who make this town work: in sports and recreation, fire and rescue, culture and beautification and our boards, committees and commissions. Your generosity with your time and effort make Bernards into what I think is the best community in New Jersey.

I thank you for your support over the past year and wish you the best in the coming year.

Thank you.

NOMINATIONS FOR 2016 MAYOR
The clerk opened the nominations for mayor. Carpenter nominated Bianchi. There were no further nominations and the clerk closed the nominations for mayor and cast the unanimous ballot for Carol Bianchi as mayor.

OATH OF OFFICE – MAYOR
The clerk administered the Oath of Office to Bianchi.

NOMINATIONS FOR 2016 DEPUTY MAYOR
The mayor called for nominations for deputy mayor. Malay nominated Gaziano. There were no further nominations and the mayor closed the nominations for mayor and the clerk cast the unanimous ballot for Carolyn Gaziano as deputy mayor.

MAYOR’S ADDRESS
Bianchi gave the following address:

Before I begin, I want to recognize and thank my family and friends, especially my husband Rich and children, for your constant support. If time permitted, I would individually thank all of you here who I have had the pleasure of knowing and working with over the years. I truly thank you for coming tonight and I look forward to continuing to work with you this year and in the future.

Thank you to my Township Committee colleagues for the opportunity to serve as your mayor and for the pleasure of working with you. Congratulations to Mayor Malay on a job well done. You were all the things a mayor should be—you were accessible, present, collaborative, and authentic.

To Denise Szabo, our municipal clerk, and Bruce McArthur, our township administrator, our employees, and hired professionals, our outstanding police department and all-volunteer fire departments and first aid, we are in the best of hands with all of you.
To our volunteer boards and to all of you in the community who volunteer in the arts, sports, our schools, and in other capacities, thank you for making our community the best place to live.

Thank you to our local reporters Jake and Linda for your faithful attendance at our meetings.

And to our Congressman Leonard Lance, our Somerset County freeholders, and State Legislators, we are fortunate to work with you and to have you represent Bernards Township.

Our first priority in 2016 remains financial stability. Our pay as you go policy, avoidance of debt, and control of spending has served us well this past decade and will benefit the taxpayers into the future.

We will work collaboratively without department heads to maintain and improve our infrastructure. Our engineering department will continue to follow a scheduled road improvement plan and pursue cost effective methods for our less travelled roads. We will renovate our aging recreational facilities this year and will dedicate a soccer field at Pleasant Valley Park to RHS graduate and World Cup champion Tobin Heath. In our Department of Public Works, we are utilizing technology to improve efficiency and cut costs, including a roll out of a Geo Client portal to allow residents to report potholes, sidewalk maintenance, and other needs via a web application.

We will share services where it benefits both parties, as we are doing with the county installation of a salt dome at our DPW which provides a ready supply of salt for Bernards Township and improves the efficiency of county operations. With our county and state legislators’ help, we are seeing taxpayer dollars returned to Bernards Township, allowing us to install a much needed generator at the municipal building and to renovate the Lyons Train Station this year.

We will continue to work with our county and state legislators to pursue grants and other resources to help us meet our infrastructure needs and allow us to keep taxes stable. In an ongoing effort to enhance communications with our residents, we will have a Mayor’s newsletter, which you can subscribe to on our website, to timely inform you of important issues going on in town.

For our employees, our IT department will create an internal face directory to foster interaction among our employees, fire, rescue, and government.

Our business community is important to us and we will continue to build our relationship with our corporate partners through collaboration with the Somerset County Business Partnership and Basking Ridge Business Alliance, and other local organizations, as we did by welcoming Verizon’s Vice President of state government affairs at our Basking Ridge Country Club and Jack Nicklaus at the United States Golf Association in Liberty Corner for the opening of a museum in his name.

We will work to increase our volunteer base and collaborate with our boards on goals for the year so that everyone’s time and talents are put to best use. We will work with the future developers of the 180 acre Millington Quarry, the largest tract of buildable space in Bernards Township, to ensure a plan that respects the private property owners rights and is in the best interest of the residents.

We will face the challenge of a court determining any future affordable housing obligations as we always have, by meeting the needs in the manner we decide is best for our town. This is a preview of our goals for 2016.

It is truly an honor to serve this most generous and spirited community as Mayor this year. God Bless America and all of you.

NOW, THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of Bernards that the following rules shall govern the rules of procedures at all Township Committee Meetings for the year 2016:

1. AGENDAS
   A. Matters to be listed on a Township Committee agenda, must be submitted to the Municipal Clerk in electronic and hardcopy format by the deadlines established by the Municipal Clerk and affixed to the annual meeting date Resolution adopted by the Township Committee.
   B. The Municipal Clerk may request but not require that agenda items include a “Recommendation for Township Committee Action” form to be submitted with the agenda item.
   C. The proposed agenda for each meeting shall be completed by the Municipal Clerk who shall consult with the Administrator, and with the Mayor as the presiding officer of the Township Committee. The Municipal Clerk shall make the proposed agenda available to the public at least 48 hours in advance of the meeting and the agenda will posted to the Township website.

   D. A majority of the whole number of members of the Township Committee shall constitute a quorum, and no ordinance shall be adopted by the Township Committee without the affirmative vote of a majority of all the members of the Township Committee.
   E. If a Township Committee member fails to attend a meeting or attends but leaves prior to the conclusion of the meeting, the member can ask the Township Committee to excuse the absence at that meeting or at the immediate next meeting following. The Township Committee shall excuse the member if a majority of the members at the meeting determine that the absence was caused by legitimate illness, and may in its discretion excuse the member if the reason for the absence is for disqualification, or any other legitimate reason.
   F. If a quorum is not present 1/2 hour after the appointed time for any meeting, the presiding officer or the Municipal Clerk may declare the meeting adjourned.
   G. While the Township Committee is in session, the members thereof shall preserve order and decorum, and a member shall not, by conversation or otherwise, delay or interrupt the proceedings or the peace of the Township Committee nor disturb any member while speaking, or refuse to obey the order of the Township Committee or its presiding officer.
   H. The Chief of Police or such member of the Police Department as he may designate, may be designated as the Sergeant-at-Arms of Township Committee meetings.    J. Meetings shall be conducted in accordance with these Regulations and Robert’s Rules of Order for items not covered in these Regulations.
   K. The Municipal Clerk shall read all Ordinances, by title only, before introduction and adoption.
   L. The items listed within the consent agenda portion of the meeting will have been previously referred to the Township Committee for reading and study, and a copy placed on the bulletin board on the township website. These items are considered routine and will be enacted by one motion of the
Township Committee with no separate discussion. If separate discussion is required, the item may be removed from the agenda by Township Committee action and placed under New Business.

M. No New Business shall be entertained after 10:30 P.M. without an affirmative vote of a majority of the members present, for all meetings.

N. No meeting shall continue beyond 11:30 P.M. without the affirmative vote of the majority of members present.

O. Any member of the public desiring to address the Committee shall first seek recognition by the Mayor or presiding officer and upon recognition, shall proceed to the floor and give his or her name and address. Statements shall be limited to five minutes. This rule may be waived by the mayor. Persons making public comment may not yield their time to another speaker, and each individual is limited to speaking once during a particular public comment period.

P. Remarks shall be confined to the order of business prescribed by this section:
   1) Ordinances. Pursuant to NJSA 40:49-2b, any Township resident and all persons interested shall be given an opportunity to be heard concerning the ordinance during that public hearing. The opportunity to be heard shall include the right to ask pertinent questions concerning the ordinance by any resident of the municipality or any other person directly affected by the ordinance.
   2) Under the heading of “Public Comment” only a resident may address the Committee on any matter over which the Committee has jurisdiction. Non-residents may only address the Committee on any matter directly impacting that non-resident.

Q. Any person(s) making personal, defamatory or profane remarks or who willfully utters loud, threatening or abusive language or engages in any disorderly conduct which disturbs or disrupts the orderly conduct of any meeting shall be called to order by the presiding officer. If such conduct continues, the presiding officer of the Township Committee, at his discretion, may order such person removed from that meeting and/or arrested.

3. VOTING
   A. Once a quorum of the Township Committee is present (which is at least three members), an affirmative vote of the majority of members present is required to approve all actions, except for approval of minutes which shall require a majority of the eligible members present, ordinances as further defined in 2.D above, or where otherwise provided by law.
   B. Given that a governing body member has a public duty to vote unless there exists a conflict of interest or other disqualifying event, a governing body member who abstains without providing a reason for the abstention, shall have his vote counted with the majority. If a township committee member is not qualified to vote because of a conflict of interest or other disqualifying event, that committee member shall not abstain from the vote, but, rather, that committee member shall not be eligible to vote, shall leave the meeting room during the discussion of the matter and his vote shall not count with the majority vote.
   C. If the committee is evenly split in a decision, no majority exists with whom an abstaining member can be said to vote and accordingly, abstentions shall not be assigned to either voting block. A tie vote shall be deemed a defeated motion.
   D. All motions shall require a second. In the absence of a second, the motion shall be deemed defeated.

4. MINUTES
   A. The minutes of each meeting shall be taken by the Municipal Clerk.
   B. The Municipal Clerk shall preserve approved minutes as a permanent record and the official authoritative record of the committee proceedings. Approved open session minutes will also be posted on the Township Website.
   C. The Municipal Clerk shall have available a draft copy of the executive and open session minutes, three days after the meeting.
   D. Open Session minutes shall be listed for approval and released by the Township Committee at the next subsequent meeting.
   E. Executive Session minutes shall be approved in open session; provided, however, that any discussion concerning the contents of the minutes, prior to approval, shall be conducted in executive session.
The Municipal Clerk shall forward copies of all executive session minutes still held in confidentiality to the Township Attorney during the months of June and December of each year. The Township Attorney shall review these minutes, determining which, if any can be released to the public in whole or in part without jeopardizing the need for confidentiality, and advise the Municipal Clerk. The Municipal Clerk shall present a resolution to the Township Committee for adoption releasing the executive session minutes, in whole or in part, as approved for release by the Township Attorney. Those executive session minutes to be released shall be designated by subject matter. Upon adoption of the resolution, those minutes or portions of minutes approved for release shall be placed in the minute books of the Township Committee and available for public inspection.

If a member of the public requests from the Municipal Clerk access to executive session minutes not yet released to the public as set forth above, the requestor shall submit an Open Public Records Request (OPRA) to the Municipal Clerk. The Municipal Clerk shall consult with the Township Attorney on the subject matter as requested. The Township Attorney shall advise the Municipal Clerk if the minutes, or portion of the minutes, can be released. If approved for release by the Township Attorney, a resolution memorializing the release of said minutes, or portion of minutes, shall be presented to the Township Committee for adoption at their next regularly scheduled meeting.

5. VIDEO STREAMING AND PUBLIC BROADCASTING
   A. All meetings, other than executive session, shall be recorded and video-streamed live on the township website and broadcasted on local PEG Channels. The Municipal Clerk, Director of Technology, and the person conducting the meeting shall authenticate recordings to the extent possible. Failure to do so does not invalidate any actions by the governing body.
   B. Archived video-streaming of the meetings will be available approximately 48 hours after the meeting over the township website.
   C. Recordings of the meeting will be maintained in accordance with the State of NJ Department of the Treasury Records Manual and associated retention schedules.

6. VIDEOTAPING OF MEETINGS
   The Township Committee recognizes the right of persons to videotape meetings provided that the persons videotaping the meetings do so in a manner that is respectful, unobtrusive and not disruptive to the meeting and those attending the meeting. The Township Clerk will thus designate a fixed and defined area that is suitable to persons that desire to videotape meetings.

BE IT FURTHER RESOLVED, that the Chief Financial Officer and the Administrator are directed to use this cash management plan as a guide in depositing and investing the Township's funds.

Cash Management Plan of the Township of Bernards in the County of Somerset, New Jersey

I. Statement of Purposes.
This Cash Management Plan (the "Plan") is prepared pursuant to the provisions of N.J.S.A. 40A:5-14 in order to set forth the basis for the deposits ("Deposits") and investment ("Permitted Investments") of certain public funds of the Township of Bernards, pending the use of such funds for the intended purposes. The Plan is intended to assure that all public funds identified herein are deposited in interest bearing Deposits or otherwise invested in Permitted Investments hereinafter referred to. The intent of the Plan is to provide that the decisions made with regard to the Deposits and the Permitted Investments will be done to insure the safety, the liquidity (regarding its availability for the intended purposes), and the maximum investment return within such limits. The Plan is intended to insure that any Deposit or Permitted Investment matures within the time period that approximates the prospective need for the funds deposited or invested so that there is not a risk to the market value of such Deposits or Permitted Investments.

II. Cash Management Policy
Objectives:
The priority of investing policies shall be, in order of descending importance: security, liquidity and yield.
a. Security: The safety of principal is the foremost objective of the cash management plan. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective is to mitigate credit risk and interest rate risk.
   i. Credit Risk: Credit Risk is the risk of loss due to failure of the security issuer or backer. Credit risk may be mitigated by:
      1. Limiting investments to the safest types of securities
2. Pre-qualifying the financial institutions, broker/dealers, intermediaries and advisors with which an entity will do business.

3. Diversifying the investment portfolio so that potential losses on individual securities will be minimized.

ii. Interest Rate Risk: Interest Rate Risk is the risk that the market value of the securities in the portfolio will fail due to changes in general interest rates. Interest Rate Risk may be mitigated by:

1. Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity, and

2. By investing operating funds primarily in shorter-term securities.

b. Liquidity: The investment portfolio must remain sufficiently liquid to meet all cash requirements of the Township. The portfolio should be structured so that the securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity).

c. Yield: The investment portfolio must be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objective described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. The Chief Financial Officer shall carefully evaluate any investment offering above market yields. Securities shall not be sold prior to maturity with the following exceptions:

i. A declining credit security could be sold early to minimize the loss of principal.

ii. A security swap would improve the quality, yield, or target duration in the portfolio.

iii. Liquidity needs of the local unit require that the security be sold.

III. Identification of Funds and Accounts to be Covered by the Plan.

The Plan is intended to cover the deposit and/or investment of all Bernards Township funds and accounts.

IV. Designation of Officials of the Township Authorized to Make Deposits and Investments under the Plan.

The Chief Financial Officer and the Administrator of the Township (the “Designated Official”) is hereby authorized and directed to deposit and/or invest the funds referred to in the Plan. Prior to making any such Deposits or any Permitted Investments, such officials of the Township are directed to supply to all depositories or any other parties with whom the Deposits or Permitted Investments are made a written copy of the Plan which shall be acknowledged in writing by such parties and a copy of such acknowledgment kept on file with such officials.

V. Designation of Depositories.

The following banks and financial institutions are hereby designated as official depositories for the Deposit of all public funds referred to in the Plan, including any certificates of Deposit which are not otherwise invested in Permitted Investments as provided for in this Plan:

1. All eligible and qualified banks and trust companies in the State of New Jersey and the State of New Jersey Cash Management Fund and the New Jersey Asset & Rebate Management Program be and are hereby designated as depositories for the Township of Bernards for the year 2016.

2. Prior to the deposit of any municipal funds in the depositories, said bank shall file with the Chief Financial Officer a statement indicating that the bank is covered under the Governmental Unit Deposit Protection Act (R.S. 17:9-41).
