WHEREAS, the bills would impose a financial burden on municipalities that would not be offset by a revenue source other than the property tax, making the bills unfunded mandates prohibited by the New Jersey Constitution; and

WHEREAS, these bills will negatively impact daily operations, staff time and resources and increase the township’s exposure to liability and frivolous lawsuits; and

WHEREAS, both bills continue to exempt the Legislature from many of the requirements and in the interest of transparency and openness, the various exceptions in the Open Public Meetings Act and the Open Public Records Act that apply to the Legislature should be removed. The rules that the legislation makes applicable to other
governmental bodies should apply equally to all governmental levels and officials.

**NOW, THEREFORE, BE IT RESOLVED** by the Township Committee of the Township of Bernards, that the Legislature is strongly urged to reject S1045 and S1046 and draft new legislation to modernize OPRA and OPMA while providing municipalities and clerks with the resources to effectuate these changes for the benefit of the public; and
