2018 MAYOR JOHN CARPENTER’S REPORT
Carpenter gave his report.

”Good evening and Happy New year!

Recognize Guests...

I’m pleased to report that the state of Bernards Township has never been better.

MQ Redevelopment
• Terminated Redevelopment status of property
• Formally terminated the proposed development plans that were first proposed in the fall of 2017
• LSRP has noticed the State that the site has been fully remediated

Affordable Housing Settlement
The biggest challenge Bernards faced in 2018 was Affordable Housing. We dealt with the issue head on and arrived at a settlement with our adversaries at the Fair Share Housing Center. The settlement includes inclusive zoning solutions at:
Dewey Meadow ~220
Mountain View ~280
Total New ~500
Total New Affordable ~100

As it stands right now the town will not need to create any additional affordable housing opportunities until 2025.

Thanks to Bruce McArthur, Pat Monaco, Tom Timko, David Schley, David Banish, Jon Drill and the best municipal attorney in the state, John Belardo. Our staff and professionals dug in on this issue and helped us make the very best of a very bad situation.

While dealing with these issues we kept our eye on the ball and hit it out of the park.

Finances
Reduced the Tax Levy from 2017 level
Remained Debt Free
Strong Reserves serve as working capital and emergency fund
Project Sunset & pivot to infrastructure

Infrastructure
Our capital budget more than doubled this past year.
Pedestrian Bridges:
Lafayette Ln.
Southard Park
Lyons Rd.
Stonehouse Rd.

Safety
Bernards continues to be recognized as one of the safest places to live in the United States.

This is thanks to Chief Shimsky and the entire Police Force. To all the men and women of the BTPD I say, on behalf of all the residents of Bernards Township, thank you!

Succession Planning
Long term vision enabled us to replace several supremely competent people by cultivating successors and promoting from within:

Out
- Bruce McArthur - Admin
- Terri Johnson - HR
- Pat Monaco - DPW
- Brian Bobowitz - COP
- Denise Szabo - Clerk

It has been an honor to serve on the Bernards Township Committee for the past 13 years and it has been a privilege to serve as Mayor this past year. We accomplished a great deal this year. It has been fun and a real pleasure. I wish everyone the most happy, healthy and prosperous new year.

Thank you.

MAYOR’S ADDRESS
Bianchi gave her address.

“Thank you to all of you for coming tonight. I want to recognize our distinguished guests in attendance:
Thank you to my Township Committee colleagues for the honor of serving as Mayor in 2019 and to our staff, professionals, and volunteers for your good service. I also wish to thank our news writers, including Jake and Linda, for your coverage of Bernards Township.

Congratulations to Jim Baldassare as Deputy Mayor, to Joan and Joe on your election, and thank you to our outgoing Mayor and colleagues for your service.

A special thank you to my family—my husband Rich, my mom Rita, father in law Al, and my children, Rita, Nolan, Michael and Caroline.

Goals for 2019

In 2019, we will continue our fiscal policies of zero debt and pay as you go, which have made Bernards Township strong, while we remain committed to maintaining our roads and infrastructure and reopening our pedestrian bridges.

My colleagues and I are also committed to greater communication and opportunities for our residents to be engaged. To that end, we will be working on the following initiatives in the new year:

A Communications Task Force — This task force will promote and assist neighbors in utilizing township communications and make recommendations for improved communications with residents.

Vision 2020, “Planning for the Future” – This task force will be charged with creating a survey for residents to indicate their vision and priorities for the next decade. The results will create a roadmap for the future of Bernards Township.

Affordable Housing Task Force – The affordable housing task force will be a group of staff members and residents whose mission will be to coordinate advocacy for legislative change, compile and share information with the township committee and residents on the various ways to meet our affordable housing obligations in the future, and to assess the costs and risks of these alternatives. In addition, professionals will recommend any ordinance changes to plan best for the future.

And last, a Quarry Oversight Committee to work with staff and ensure the rehabilitation plan is completed and to provide other relevant information to the township committee.

Residents are encouraged to complete a tap the talent form and indicate your interest in serving on one of these task forces. Selection will be based upon experience, broad representation of our population, and your commitment to public service.

The following initiatives will also improve communications and information sharing: a Mayor’s newsletter; timely notifications on social media of township committee and land use agendas; public work sessions and a second public comment added to the agenda. Your questions will be answered at the township committee meetings or staff will follow up with you afterwards, if more information is needed. Staff will also provide office hours, which will be announced, where residents can come in and ask questions and address concerns.

In summary, my colleagues and I are committed to continuing the policies which have made Bernards Township the best run town anywhere while improving our processes to ensure greater open government, communication, and the good government you deserve.

Peace to all of you in 2019 and may God bless our community and all of you.

Please join us at the Liberty Corner firehouse immediately afterwards for our celebration.”

If separate discussion is required, the item may be removed from the agenda by Township Committee action and placed under New Business.
M. No New Business shall be entertained after 10:30 P.M. without an affirmative vote of a majority of the members present, for all meetings.
N. No meeting shall continue beyond 11:30 P.M. without the affirmative vote of the majority of members present.
O. Any member of the public desiring to address the Committee shall first seek recognition by the Mayor or presiding officer and upon recognition, shall proceed to the floor and give his or her name and address. Statements shall be limited to five minutes. This rule may be waived by the mayor. Persons making public comment may not yield their time to another speaker, and each individual is limited to speaking once during a particular public comment period.
P. Remarks shall be confined to the order of business prescribed by this section:

Q. Any person(s) making personal, defamatory or profane remarks or who willfully utters loud, threatening or abusive language or engages in any disorderly conduct which disturbs or disrupts the orderly conduct of any meeting shall be called to order by the presiding officer. If such conduct continues, the presiding officer of the Township Committee, at his discretion, may order such person removed from that meeting and/or arrested.

3. VOTING
A. Once a quorum of the Township Committee is present (which is at least three members), an affirmative vote of the majority of members present is required to approve all actions, except for approval of minutes which shall require a majority of the eligible members present, ordinances as further defined in 2.D above, or where otherwise provided by law.
B. Given that a governing body member has a public duty to vote unless there exists a conflict of interest or other disqualifying event, a governing body member who abstains without providing a reason for the abstention, shall have his vote counted with the majority. If a township committee member is not qualified to vote because of a conflict of interest or other disqualifying event, that committee member shall not abstain from the vote, but, rather, that committee member shall not be eligible to vote, shall leave the meeting room during the discussion of the matter and his vote shall not count with the majority vote.
C. If the committee is evenly split in a decision, no majority exists with whom an abstaining member can be said to vote and accordingly, abstentions shall not be assigned to either voting block. A tie vote shall be deemed a defeated motion.
D. All motions shall require a second. In the absence of a second, the motion shall be deemed defeated.

4. MINUTES
A. The minutes of each meeting shall be taken by the Municipal Clerk.
B. The Municipal Clerk shall preserve approved minutes as a permanent record and the official authoritative record of the committee proceedings. Approved open session minutes will also be posted on the Township Website.
C. The Municipal Clerk shall have available a draft copy of the executive and open session minutes, three days after the meeting.
D. Open Session minutes shall be listed for approval and released by the Township Committee at the next subsequent meeting
E. Executive Session minutes shall be approved in open session; provided, however, that any discussion concerning the contents of the minutes, prior to approval, shall be conducted in executive session.
   1) The Municipal Clerk shall forward copies of all executive session minutes still held in confidentiality to the Township Attorney during the months of June and December of each year. The Township Attorney shall review these minutes, determining which, if any can be released to the public in whole or in part without jeopardizing the need for confidentiality, and advise the Municipal Clerk. The Municipal Clerk shall present a resolution to the Township Committee for adoption releasing the executive session minutes, in whole or in part, as approved for release by the Township Attorney. Those executive session minutes to be released shall be designated by subject matter. Upon adoption of the resolution, those minutes or portions of minutes approved for release shall be placed in the minute books of the Township Committee and available for public inspection.
2) If a member of the public requests from the Municipal Clerk access to executive session minutes not yet released to the public as set forth above, the requestor shall submit an Open Public Records Request (OPRA) to the Municipal Clerk. The Municipal Clerk shall consult with the Township Attorney on the subject matter as requested. The Township Attorney shall advise the Municipal Clerk if the minutes, or portion of the minutes, can be released. If approved for release by the Township Attorney, a resolution memorializing the release of said minutes, or portion of minutes, shall be presented to the Township Committee for adoption at their next regularly scheduled meeting.

5. VIDEO STREAMING AND PUBLIC BROADCASTING

A. All meetings, other than executive session, shall be recorded and video-streamed live on the township website and broadcasted on local PEG Channels. The Municipal Clerk, Director of Technology, and the person conducting the meeting shall authenticate recordings to the extent possible. Failure to do so does not invalidate any actions by the governing body.

B. Archived video-streaming of the meetings will be available approximately 48 hours after the meeting over the township website.

C. Recordings of the meeting will be maintained in accordance with the State of NJ Department of the Treasury Records Manual and associated retention schedules.

6. VIDEOTAPING OF MEETINGS

The Township Committee recognizes the right of persons to videotape meetings provided that the persons videotaping the meetings do so in a manner that is respectful, unobtrusive and not disruptive to the meeting and those attending the meeting. The Township Clerk will thus designate a fixed and defined area that is suitable to persons that desire to videotape meetings.

The intent of the Plan is to provide that the decisions made with regard to the Deposits and the Permitted Investments will be done to insure the safety, the liquidity (regarding its availability for the intended purposes), and the maximum investment return within such limits. The Plan is intended to ensure that any Deposit or Permitted Investment matures within the time period that approximates the prospective need for the funds deposited or invested so that there is not a risk to the market value of such Deposits or Permitted Investments.

II. Cash Management Policy

   c. Diversifying the investment portfolio so that potential losses on individual securities will be minimized.

B. Interest Rate Risk: Interest Rate Risk is the risk that the market value of the securities in the portfolio will fail due to changes in general interest rates. Interest Rate Risk may be mitigated by:

1. Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity, and
2. By investing operating funds primarily in shorter-term securities.

C. Liquidity: The investment portfolio must remain sufficiently liquid to meet all cash requirements of the Township. The portfolio should be structured so that the securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity).

D. Yield: The investment portfolio must be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objective described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. The Chief Financial Officer shall carefully evaluate any investment offering above market yields. Securities shall not be sold prior to maturity with the following exceptions:

1. A declining credit security could be sold early to minimize the loss of principal.
2. A security swap would improve the quality, yield, or target duration in the portfolio.
3. Liquidity needs of the local unit require that the security be sold.

III. Identification of Funds and Accounts to be Covered by the Plan.
The Plan is intended to cover the deposit and/or investment of all Bernards Township funds and accounts.

IV. Designation of Officials of the Township Authorized to Make Deposits and Investments under the Plan.
The Chief Financial Officer, Treasurer, and the Administrator of the Township (the “Designated Official”) is hereby authorized and directed to deposit and/or invest the funds referred to in the Plan. Prior to making any such Deposits or any Permitted Investments, such officials of the Township are directed to supply to all depositories or any other parties with whom the Deposits or Permitted Investments are made a written copy of the Plan which shall be acknowledged in writing by such parties and a copy of such acknowledgment kept on file with such officials.

B. Prior to the deposit of any municipal funds in the depositories, said bank shall file with the Chief Financial Officer a statement indicating that the bank is covered under the Governmental Unit Deposit Protection Act (R.S. 17:9-41).

E. Local government investment pools;

1. The underlying securities are permitted investments pursuant to paragraphs (A) and (C) of this subsection a;

6. Which purchases and redeems investments directly from the issuer, government money market mutual fund, or the State of New Jersey Cash Management Fund, or through the use of a national or State bank located within this State, or through a broker-dealer which, at the time of purchase or redemption, has been registered continuously for a period of at least two years pursuant to section 9 of P.L. 1967 c. 9 (C.49:3-56) and has at least $25 million in capital stock (or equivalent capitalization if not a corporation), surplus reserves for contingencies and undivided profits, or through a securities dealer who makes primary markets in U.S. Government securities and reports daily to the Federal Reserve Bank of New York its position in and borrowing on such U.S. Government securities.

Such institution shall provide for the designation of such investments in the name of the Township to assure that there is no unauthorized use of the funds or the Permitted Investments or Deposits. Purchase of any Permitted Investments that involve securities shall be executed by a “delivery versus payment” method to ensure that such Permitted Investments are either received by the Township or by a third party custodian prior to or upon the release of the Township’s funds.

To assure that all parties with whom the Township deals either by way of Deposits or Permitted Investments are aware of the authority and the limits set forth in this Plan, all such parties shall be supplied with a copy of this Plan in writing and all such parties shall acknowledge the receipt of that Plan in writing, a copy of which shall be on file with the Designated Official(s).
