BE IT FURTHER RESOLVED, that the Chief Financial Officer and the Administrator are directed to use this cash management plan as a guide in depositing and investing the Township’s funds.

Cash Management Plan of the Township of Bernards
in the County of Somerset, New Jersey

I. Statement of Purposes.
This Cash Management Plan (the “Plan”) is prepared pursuant to the provisions of N.J.S.A. 40A:5-14 in order to set forth the basis for the deposits (“Deposits”) and investment (“Permitted Investments”) of certain public funds of the Township of Bernards, pending the use of such funds for the intended purposes. The Plan is intended to assure that all public funds identified herein are deposited in interest bearing Deposits or otherwise invested in Permitted Investments hereinafter referred to. The intent of the Plan is to provide that the decisions made with regard to the Deposits and the Permitted Investments will be done to insure the safety, the liquidity (regarding its availability for the intended purposes), and the maximum investment return within such limits. The Plan is intended to insure that any Deposit or Permitted Investment matures within the time period that approximates the prospective need for the funds deposited or invested so that there is not a risk to the market value of such Deposits or Permitted Investments.

II. Cash Management Policy
Objectives: The priority of investing policies shall be, in order of descending importance: security, liquidity and yield.

A. Security: The safety of principal is the foremost objective of the cash management plan. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective is to mitigate credit risk and interest rate risk.
1. **Credit Risk:** Credit Risk is the risk of loss due to failure of the security issuer or backer. Credit risk may be mitigated by:
   a. Limiting investments to the safest types of securities
   b. Pre-qualifying the financial institutions, broker/dealers, intermediaries and advisors with which an entity will do business.
   c. Diversifying the investment portfolio so that potential losses on individual securities will be minimized.

B. **Interest Rate Risk:** Interest Rate Risk is the risk that the market value of the securities in the portfolio will fail due to changes in general interest rates. Interest Rate Risk may be mitigated by:
   1. Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity, and
   2. By investing operating funds primarily in shorter-term securities.

C. **Liquidity:** The investment portfolio must remain sufficiently liquid to meet all cash requirements of the Township. The portfolio should be structured so that the securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity).

D. **Yield:** The investment portfolio must be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objective described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. The Chief Financial Officer shall carefully evaluate any investment offering above market yields. Securities shall not be sold prior to maturity with the following exceptions:
   1. A declining credit security could be sold early to minimize the loss of principal.
   2. A security swap would improve the quality, yield, or target duration in the portfolio.
   3. Liquidity needs of the local unit require that the security be sold.

III. **Identification of Funds and Accounts to be Covered by the Plan.**

The Plan is intended to cover the deposit and/or investment of all Bernards Township funds and accounts.

IV. **Designation of Officials of the Township Authorized to Make Deposits and Investments under the Plan.**

The Chief Financial Officer, Treasurer, and the Administrator of the Township (the “Designated Official”) is hereby authorized and directed to deposit and/or invest the funds referred to in the Plan. Prior to making any such Deposits or any Permitted Investments, such officials of the Township are directed to supply to all depositories or any other parties with whom the Deposits or Permitted Investments are made a written copy of the Plan which shall be acknowledged in writing by such parties and a copy of such acknowledgment kept on file with such officials.

V. **Designation of Depositories.**

The following banks and financial institutions are hereby designated as official depositories for the Deposit of all public funds referred to in the Plan, including any certificates of Deposit which are not otherwise invested in Permitted Investments as provided for in this Plan:
A. All eligible and qualified banks and trust companies in the State of New Jersey and the State of New Jersey Cash Management Fund and the New Jersey Asset & Rebate Management Program be and are hereby designated as depositories for the Township of Bernards for the year 2020.

B. Prior to the deposit of any municipal funds in the depositories, said bank shall file with the Chief Financial Officer a statement indicating that the bank is covered under the Governmental Unit Deposit Protection Act (R.S. 17:9-41).

VI. Authorized Investments.

A. Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America;
B. Government money market mutual funds;
C. Any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligation bears a fixed rate of interest not dependent on any index or other external factor;

5. Which purchases and redeems investments directly from the issuer, government money market mutual fund, or the State of New Jersey Cash Management Fund, or through the use of a national or State bank located within this State, or through a broker-dealer which, at the time of purchase or redemption, has been registered continuously for a period of at least two years pursuant to section 9 of P.L. 1967 c. 9 (C.49:3-56) and has at least $25 million in capital stock (or equivalent capitalization if not a corporation), surplus reserves for contingencies and undivided profits, or through a securities dealer who makes primary markets in U.S. Government securities and reports daily to the Federal Reserve Bank of New York its position in and borrowing on such U.S. Government securities.

VII. Safekeeping Custody Payment and Acknowledgment of Receipt of Plan.

To the extent that any Deposit or Permitted Investment involves a document or security which is not physically held by the Township, then such instrument or security shall be covered by a custodial agreement with an independent third party, which shall be a bank or financial institution in the State of New Jersey. Such institution shall provide for the designation of such investments in the name of the Township to assure that there is no unauthorized use of the funds or the Permitted Investments or Deposits. Purchase of any Permitted Investments that involve securities shall be executed by a “delivery versus payment” method to insure that such Permitted Investments are either received by the Township or by a third party custodian prior to or upon the release of the Township’s funds.
To assure that all parties with whom the Township deals either by way of Deposits or Permitted Investments are aware of the authority and the limits set forth in this Plan, all such parties shall be supplied with a copy of this Plan in writing and all such parties shall acknowledge the receipt of that Plan in writing, a copy of which shall be on file with the Designated Official(s).

   D. A majority of the whole number of members of the Township Committee shall constitute a quorum, and no ordinance shall be adopted by the Township Committee without the affirmative vote of a majority of all the members of the Township Committee.
   E. If a Township Committee member fails to attend a meeting or attends but leaves prior to the conclusion of the meeting, the member can ask the Township Committee to excuse the absence at that meeting or at the immediate next meeting following. The Township Committee shall excuse the member if a majority of the members at the meeting determine that the absence was caused by legitimate illness, and may in its discretion excuse the member if the reason for the absences is for disqualification, or any other legitimate reason.
   F. If a quorum is not present 1/2 hour after the appointed time for any meeting, the presiding officer or the Municipal Clerk may declare the meeting adjourned.
   G. While the Township Committee is in session, the members thereof shall preserve order and decorum, and a member shall not, by conversation or otherwise, delay or interrupt the proceedings or the peace of the Township Committee nor disturb any member while speaking or refuse to obey the order of the Township Committee or its presiding officer.
   H. The Chief of Police or such member of the Police Department as he may designate, may be designated as the Sergeant-at-Arms of Township Committee meetings. He shall carry out all orders and instructions given by the presiding officer for the purpose of maintaining order and decorum at the Township Committee Meetings.
   I. The Township Attorney shall be the Parliamentarian.
   J. Meetings shall be conducted in accordance with these Regulations and Robert’s Rules of Order for items not covered in these Regulations.

These items are considered routine and will be enacted by one motion of the Township Committee by Township Committee action and placed under New Business.
   M. No New Business shall be entertained after 10:30 P.M. without an affirmative vote of a majority of the members present, for all meetings.
   N. No meeting shall continue beyond 11:30 P.M. without the affirmative vote of the majority of members present.
   O. Statements shall be limited to five minutes. This rule may be waived by the mayor. Persons making public comment may not yield their time to another speaker, and each individual is limited to speaking once during a particular public comment period.
   P. Remarks shall be confined to the order of business prescribed by this section:
      1) Ordinances. Pursuant to NJSA 40:49-2b, any Township resident and all persons interested shall be given an opportunity to be heard concerning the ordinance during that public hearing. The opportunity to be heard shall include the right to ask pertinent questions concerning the ordinance by any resident of the municipality or any other person directly affected by the ordinance.
      2) Under the heading of “Public Comment” only a resident may address the Committee on any matter over which the Committee has jurisdiction. Non-residents may only address the Committee on any matter directly impacting that non-resident.
Q. Any person(s) making personal, defamatory or profane remarks or who willfully utters loud, threatening or abusive language or engages in any disorderly conduct which disturbs or disrupts the orderly conduct of any meeting shall be called to order by the presiding officer. If such conduct continues, the presiding officer of the Township Committee, at his discretion, may order such person removed from that meeting and/or arrested.

   B. Given that a governing body member has a public duty to vote unless there exists a conflict of interest or other disqualifying event, a governing body member who abstains without providing a reason for the abstention, shall have his vote counted with the majority. If a township committee member is not qualified to vote because of a conflict of interest or other disqualifying event, that committee member shall not abstain from the vote, but, rather, that committee member shall not be eligible to vote, shall leave the meeting room during the discussion of the matter and his vote shall not count with the majority vote.
   C. If the committee is evenly split in a decision, no majority exists with whom an abstaining member can be said to vote and accordingly, abstentions shall not be assigned to either voting block. A tie vote shall be deemed a defeated motion.
   D. All motions shall require a second. In the absence of a second, the motion shall be deemed defeated.

4. MINUTES
   A. The minutes of each meeting shall be taken by the Municipal Clerk.
   B. The Municipal Clerk shall preserve approved minutes as a permanent record and the official authoritative record of the committee proceedings. Approved open session minutes will also be posted on the Township Website.

      1) The Municipal Clerk shall forward copies of all executive session minutes still held in confidentiality to the Township Attorney during the months of June and December of each year. The Township Attorney shall review these minutes, determining which, if any can be released to the public in whole or in part without jeopardizing the need for confidentiality, and advise the Municipal Clerk. The Municipal Clerk shall present a resolution to the Township Committee for adoption releasing the executive session minutes, in whole or in part, as approved for release by the Township Attorney. Those executive session minutes to be released shall be designated by subject matter. Upon adoption of the resolution, those minutes or portions of minutes approved for release shall be placed in the minute books of the Township Committee and available for public inspection.
      2) If a member of the public requests from the Municipal Clerk access to executive session minutes not yet released to the public as set forth above, the requestor shall submit an Open Public Records Request (OPRA) to the Municipal Clerk. The Municipal Clerk shall consult with the Township Attorney on the subject matter as requested. The Township Attorney shall advise the Municipal Clerk if the minutes, or portion of the minutes, can be released. If approved for release by the Township Attorney, a resolution memorializing the release of said minutes, or portion of minutes, shall be presented to the Township Committee for adoption at their next regularly scheduled meeting.
5. VIDEO STREAMING AND PUBLIC BROADCASTING
   A. All meetings, other than executive session, shall be recorded and video-streamed live on the township website and broadcasted on local PEG Channels. The Municipal Clerk, Director of Technology, and the person conducting the meeting shall authenticate recordings to the extent possible. Failure to do so does not invalidate any actions by the governing body.
   B. Archived video-streaming of the meetings will be available approximately 48 hours after the meeting over the township website.
   C. Recordings of the meeting will be maintained in accordance with the State of NJ Department of the Treasury Records Manual and associated retention schedules.

The Township Clerk will thus designate a fixed and defined area that is suitable to persons that desire to videotape meetings.
