***** PRESS RELEASE *****
FOR IMMEDIATE RELEASE
June 3, 2019
#####

Calling all Bernards Township residents!

Your input is needed via a quick 10-minute survey as the Vision 2020 Task Force actively seeks feedback through June 30, 2019. All residents are urged to share their sentiments about a variety of issues important to our community today and looking forward over the next decade. Survey participation will help identify key goals and priorities in and around Bernards Township, as expressed by as broad a cross-section of our township as possible. The survey results will be presented to the Township Committee this fall.

Please visit the survey link to provide your feedback:
<https://www.surveymzmo.com/s3/4960817/Vision-2020>

Thank you for supporting the Vision 2020 Task Force and the Bernards Township community. Our group has been meeting regularly since early February 2019 and is comprised of township residents Monique Loh and Jennifer Aaron (Co-Chairs), Faris Jebara, Madhavi Puppala and Suzanne Tufariello. Township Committee members, Mayor Carol Bianchi and Joan Harris, also participate in the group's meetings, as do Township Administrator Pat Monaco and Municipal Clerk Rhonda Pisano. Public input is also welcome via email, sent to vision2020@bernards.org.
