Subject: Proposed Quarry Redevelopment Plan & Ordinance

No Quarry Redevelopment Business will be discussed at the December 12th Township Committee Meeting.

Due to significant public interest in the December 12, 2017 Township Committee Meeting, the Township attempted to move the meeting to a suitable Board of Education facility.

Unfortunately, neither the Ridge PAC nor WAMS Auditorium was available on December 12th.

Since we are unable to accommodate the number of people likely to attend the upcoming meeting on the 12th, there will be no discussion, presentations, or action taken on the proposed Quarry Redevelopment at this meeting.

The Township Committee Meeting on the 12th will be held at Town Hall as originally scheduled, but Quarry Redevelopment business will next be discussed after the New Year.

For official notices and updates regarding township meeting, residents are encouraged to check the township website, Facebook and Twitter Feeds, and local PEG Channels. Resident can also subscribe to receive email blasts for various township announcement and news events on the website.

We wish all of our residents Happy Holidays.
