

Subject: Quarry Redevelopment  
Township Committee Meeting of 11/13/2017 Rescheduled

The Bernards Township Committee meeting scheduled for Monday, November 13, 2017 at 8 PM, where the agenda was to include continued discussion on the Quarry Redevelopment Plan, is being rescheduled.

There will be no Township Committee meeting on November 13, 2017.

This is due to significant public interest and requests from the public that the meeting be moved to the Ridge PAC or William Annin Middle School to accommodate the large number of citizens interested in attending the meeting.

Also discussed will be the process going forward on any redevelopment at the quarry.

The Township Committee plans to have experts representing the developer present to address questions which have been raised. Members of township staff, as well as consultants the township has used at the quarry in the past will be present.

The township is working with the Board of Education to secure a date for this meeting and notification will be made to the public and the press as soon as a date can be confirmed.

For official notices and updates regarding this meeting, residents are encouraged to check the township website, [www.bernards.org](http://www.bernards.org), the town's Facebook's and Twitter Feeds, and local PEG Channels, Cablevision Channel 15 and Verizon Channel 35. Resident can also subscribe to receive email blasts for various township announcement and news events on the website.
