Bernards Township's Vision 2020 Task Force will be launching an online township-wide survey, open to all adult residents, on Wednesday, May 15, 2019. A link to the survey will be accessible through the Township website (www.bernards.org) and will be publicized across a variety of social media outlets. The link will remain active through June 30, 2019 and is more user friendly on a desktop or laptop computer.

Please visit the Vision 2020 booth on Charter Day (Saturday, May 18) to learn more about this great opportunity to provide our Township Committee with your concerns, goals and priorities as they relate to our wonderful community. The Task Force is eager to encourage participation in this important mission, and to that end, Bernards Township residents are invited to stop by and learn how to access the survey.

The Vision 2020 Task Force has been meeting regularly since early February 2019 and is comprised of township residents Jennifer Aaron and Monique Loh (Co-Chairs), Faris Jebara, Madhavi Puppala and Suzanne Tufariello. Township Committee members, Mayor Carol Bianchi and Joan Harris, also participate in the group's efforts, as do Township Administrator Pat Monaco and Municipal Clerk Rhonda Pisano. Any questions or concerns related to the upcoming survey may be sent to vision2020@bernards.org.
