Dear Bernards Township Residents,

Over the last 100 years, our community has been well served by a group of dedicated and selfless individuals that serve on Bernards Township's volunteer fire and first aid companies. Their contributions to our community have been great, although at times overlooked.

Many residents may not be aware that as volunteers the cost to maintain such needed service in Bernards is very inexpensive when compared to a full time fire or first aid service.

Bernards Township has faced difficult times in the past, and in each instance we have united as a community and overcome. It is for these reasons that the Township Committee reaches out to you at this time. We are facing such a moment.

We are facing a shortage of these remarkable volunteer men and women. We need **you** to consider joining one of these outstanding volunteer organizations, to assist us in protecting and serving our neighbors, friends and family members.

Yes, being a member involves a time commitment, but the personal reward and appreciation of a grateful community cannot be measured.

Please consider volunteering today! Your service is truly needed!

Sincerely,

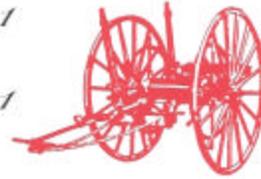

Members of the Bernards Township Committee

The Basking Ridge Fire Company needs **your** financial assistance to continue to exist as a volunteer organization. Our annual operating revenue and capital funds come primarily from the residents and businesses of Basking Ridge. Unfortunately, **over 60%** of the residents and businesses we reach out to **do not** contribute. We can only avoid alternative and arduous means of funding in the future (e.g. seeking fire district tax assessments or lease agreements for commercial use of our property) if everyone contributes their fair share. Please take the time to help those who **always** answer your call for help.

Dear Neighbor:

Founded in 1910, the Liberty Corner Fire Company is a full-time volunteer organization consisting of 34 members. The Liberty Corner Fire Company is responsible for providing fire and rescue service 24 hours a day, 365 days a year to the entire Liberty Corner section of Bernards Township - which encompasses approximately 18 of the 24 square miles of Bernards Township and includes over 6,500 residences and businesses.

In order for us to continue providing you and your family with the highest level of fire and rescue protection, we must rely on your support. Your support of the fire company can come in two ways, either through volunteering your time and talents as a firefighter, junior firefighter (ages 16 and 17) or auxiliary member and/or through your support of our Annual Fund Drive. If you are interested in information regarding membership, we encourage you to contact us at 908-647-3530.

For those unable to volunteer, we encourage you to support our Annual Fund Drive. As you may or may not know, the Members of the fire company are responsible for raising the majority of the funding necessary to satisfy our annual operating budget. The Members of the Fire Company work hard to raise these funds throughout the year, but these fund raising efforts are simply not enough. It is through the financial support of our fellow residents and local businesses that we are able to:

- provide the community with new and improved fire fighting and rescue equipment
- perform routine maintenance to the fire engines and rescue truck
- provide our volunteer firefighters with the latest training in fire fighting and rescue techniques.

Again, the Members of the Liberty Corner Fire Company ask you to consider joining our organization and/or making a donation toward our Annual Fund Drive. Your time and talent as a member and/or your tax-deductible donation helps ensure that during an emergency, we will be there for you.

Sincerely,

The Members of the Liberty Corner Fire Company

To Our Neighbors:

We are the all-volunteer first aid squad that provides round-the-clock emergency medical services to residents, businesses and visitors in the southern 70% of Bernards Township. All of our members live in the community and are certified Emergency Medical Technicians, responding whenever a medical emergency arises. We never charge for our services, and we do not get paid for our work.

We respond to approximately 900 emergency calls each year, and **WE NEED YOUR HELP** to continue this vital community service. More than anything, we need additional members to join the squad. No special physical or academic skills are needed: we truly are "ordinary people doing extraordinary work." We'll provide the necessary training, equipment and guidance; and you'll enjoy the satisfaction that comes from helping people when they need it most. We also need the generous financial support of our community during our annual fund drive, or at any time. We buy and operate our ambulances, radios, and medical equipment and supplies, maintain our squad building, and provide ongoing training for our members. Because we do not receive funding for this from Township tax revenues, we rely on your contributions.

To learn more about joining or contributing to the squad, please visit our website at www.libertycornerfas.org, or call us at 908-647-1145. Thanks for your interest and support!

Sincerely,

The Members of the Liberty Corner First Aid Squad
