### **2022 Public Synopsis of Internal Affairs Complaints**

Pursuant to NJ Attorney General Policy and Somerset County Prosecutors Office policy the following is a synopsis of all internal affairs complaints received against Bernards Township Police Officers in 2022.

There were eight total internal affairs investigations against Bernards Township Police Officers for violations of rules and regulations or policies and procedures.

At the conclusion of these investigations, three of the complaints for rules violations were sustained. The remaining investigations were unfounded or exonerated.
