To Whom It May Concern,

As per Attorney General Directive 2018-2, entitled, "Attorney General's Law Enforcement Drug Testing Policy," all "state, county, and municipal law enforcement agencies and sworn officers who are responsible for enforcing criminal laws in New Jersey, come under the jurisdiction of the Police Training Act, and are authorized to carry a firearm under N.J.S.A. 2C:39-6," are subject to drug testing as set forth in the Directive, Section 2, sub-section C, "Frequency and Number of Officers to be Tested," requires law enforcement agencies to conduct, at a minimum, two (2) random drug tests for sworn law enforcement officers during each calendar year and requires that at least ten (10) percent of the total number of sworn officers within each agency be randomly tested. Section 2, sub-section F, "Notification to County Prosecutor," requires each agency to report to the County Prosecutor by December 31st of each year, written notice of the dates of random drug testing conducted during the calendar year, to include the number of sworn officers employed by the agency at the time of testing, the total number of sworn officers tested, and the total number of sworn officers who tested positive.

Below are the results of our agency's random drug testing for the calendar year 2023

First random testing date May 31, 2023

Number of sworn officers in the agency on this date: **41**

Total number of officers tested on this date: **5**

Total number of officers who tested positive on this date: **0**

Second Random Testing Date

Number of sworn officers in the agency on this date: **41**

Total number of officers tested on this date: **5**

Total number of officers who tested positive on this date: **0**
