COAKLEY-RUSSO MEMORIAL GOLF COURSE HISTORY

On Memorial Day, 1947, the Coakley-Russo Memorial Golf Course was presented to the VA Medical Center by New Jersey golfers, both men and women, amateurs and professionals. The gift was the product of many hours of work by the New Jersey Rehabilitation Committee over several months. The committee was composed of two members each from the New Jersey Section of the PGA of America, the New Jersey Golf Association, the Women's New Jersey Golf Association, the State Public Links Association and the State Greenskeeper Association.

The course was designed by Robert Trent Jones, Sr. as a par 35, nine-hole course which plays from 2,700—3,300 yards. The official pace of play rating from the NJSGA is 2 hours and 13 minutes.

The course was dedicated to the memory of all New Jersey golfers who gave their lives in World War II and is named in honor of two New Jersey Professional Golfers, Lt. Francis X. Coakley and Sgt. Nick Russo, both killed while serving their country.

In July of 1996, Bernards Township assumed the operation of the course in a unique partnership between the Township and the VA Medical Center. Managed and maintained by the Department of Parks & Recreation, membership categories are available for VA affiliates, Bernards Township residents and non-residents. **Membership includes unlimited play with no additional greens fees!**

PRACTICE PUTTING GREEN

A natural grass practice putting green is located near the entrance to the course and is available exclusively to members and their guests at no extra charge.

SOLO RIDER SINGLE RIDER GOLF CAR

In 2018 an adaptive single rider golf car was donated through the USGA's Employee Giving Program. The SoloRider car allows an individual with a disability access to the course with hand controls and a swivel seat that elevates to a standing position for play. Tee Time reservation required by calling 908-604-2582.

TOURNAMENTS

Tournaments are scheduled throughout the season for both members & guests, including the Annual Mayor's Cup Tournament, held in late spring. For more information refer to the schedule posted at the course or on www.bernards.org.

PRIVATE OUTINGS & SCHOOL GROUPS

Course members who are also members of a private organization or non-profit may host a group outing at Coakley-Russo. Area public and private schools may host a match or practice at Coakley-Russo for a nominal fee. Student members are not charged. Call 908-204-3003 for more information.
