Resolution #2022-0376

Resolution Proclaiming October 13, 2022, as
Bonnie Brae Giving Day

WHEREAS, in 1915, Harry V. Osborne, an Essex County Judge, seeing so many destitute young men passing through his courtroom, and concerned about the lack of facilities to care for and help them with their family and emotional problems, decided to create a place for them so they would not slip through the cracks of society and fall into delinquency; and

WHEREAS, in 1916, Judge Osborne rented a small farm, naming it the Bonnie Brae Farm for Boys, officially opening the doors to the first 14 boys in Bonnie Brae's history; and

WHEREAS, in 1920, with so many boys being referred for help, the original farm became too small, and with the help of private donations, Bonnie Brae Farm for Boys moved to a larger property purchased in Bernards Township; and

WHEREAS, in the early 1950's rules governing organizations that operated for the public good and were supported by charitable donations needed to be incorporated in the state of New Jersey as nonprofit organizations, which Bonnie Brae was granted on October 13, 1953; and

WHEREAS, through the succeeding decades, Bonnie Brae continues to distinguish itself in the community, growing and adapting to the changing needs of those they serve, making the transition from a farm to a residential treatment center with a fully accredited school, adding accomplishments and accolades that include; the Knights Drum Corps playing in President Obama's Inaugural Parade, the launching of the Aftercare Program, the establishment of community-based Transitional Living homes, and most recently the establishment of a Crisis Stabilization Home – the first to provide residential services for females; and

WHEREAS, over 100 years later, Bonnie Brae has transformed the lives of 12,750 youth and their families from across the state, with a goal of helping 2,000 more by 2025, with more than 250 dedicated therapists, counselors, nurses, teachers and staff and thousands of supporters to help make this possible.

NOW, THEREFORE, BE IT RESOLVED, that on this occasion of Bonnie Brae's Anniversary as an official New Jersey Nonprofit, that the Township Committee of the Township of Bernards does hereby proclaim October 13, 2022, as **Bonnie Brae Giving Day** in Bernards Township, New Jersey; and

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Township Committee of the Township of Bernards encourages all members of the community to celebrate Bonnie Brae for their contributions to the community and to support the local businesses that have partnered with Bonnie Brae in this celebration.

WHEREAS, the landfill closure was approved in 1996 and post-closure environmental monitoring is required for 30 years until May 28, 2026; and

WHEREAS, NJDEP requires a commitment from the Township to pay for all additional costs of post-closure activities each year above the amount withdrawn or available from escrow in accordance with NJDEP requirements.

NOW THEREFORE BE IT RESOLVED, by the Township Committee of the Township of Bernards that the Township of Bernards will be responsible for the additional costs of post-closure activities each year above the amount requested or available to be withdrawn from escrow in order for the Township to meet its ongoing obligation for post-closure maintenance activities at the Pill Hill Landfill until 2026.

Agenda and Date Voted: 09/27/2022

EXPLANATORY STATEMENT

NJDEP required the posting of escrow when the landfill closure was approved in 1996. With DEP approval, these funds may be withdrawn to pay for ongoing environmental monitoring activities at the site until 2026 when monitoring will cease. NJDEP requires a commitment from the Township to pay for any costs above and beyond available escrow for the Township to meet its obligations to post-closure maintenance before NJDEP will approve the withdrawal of the funds. This resolution confirms that commitment, which was previously made, and has been budgeted annually, as part of the post-closure approval of the landfill in 1996. The financial plan is designed to utilize all escrow funds by the expiration of the maintenance obligation in 2026 to offset a portion of the cost of the required monitoring.
