The Mr. Local History Project, started by Basking Ridge resident Brooks Betz is a 501c3 all volunteer non-profit organization that brings locals together. They provide all kinds of local research & stories from the area we call home. Mr. Local History works across New Jersey finding new ways to preserve & promote local history with a social twist!

Brooks Betz and his family moved to Basking Ridge back in 2003. After serving as board member with several local historic organizations, Brooks was appointed by the Bernards Township Committee as the Bernards Township official historian (2019-2021).
